SERVICE LETTER

Service Letter No. L114AT
(Supersedes Service Letter No. L114AS)
February 8, 2011

TO: Owners and Operators of Lycoming Aircraft Engines
SUBJECT: Reciprocating Engine and Accessory Maintenance Publications

NOTE

Incomplete review of all the information in this document can cause errors. Read the entire Service Letter to make sure you have a complete understanding of the requirements.

This Service Letter is a price list for all approved, current editions of the following types of technical media and publications made by Lycoming Engines:

- Operator's Manuals
- Maintenance and Overhaul Manuals
- Parts Catalogs (PC)
- Electronic Media (CD's and DVD's)
- Special Service Publications
- Engine Specifications
- Installation Drawings

NOTE

All publications in this Service Letter are available for purchase through authorized Lycoming Engines' distributors, or direct from Lycoming Engines. Prices are in U.S. Dollars. **Payment by check, money order, or charge card must be in U.S. dollars when ordering directly from the factory.**

NOTE

Prices and availability can change. Speak with Customer Service at Lycoming Engines for current price information.

NOTE

All Lycoming publications are copyrighted works and cannot be printed or released as electronic media without prior permission of Lycoming Engines.

The available publications for Lycoming engines and accessories include the following:

ENGINE SPECIFICATIONS – Engine specifications are available for purchase at a list price of \$15.00. The complete engine model number must be supplied when ordering. NOTE: Installation drawings are not included with engine specifications but also are available for purchase separately.

INSTALLATION DRAWINGS – Installation drawings are available for purchase at a list price of \$60.00. The complete engine model number must be supplied when ordering installation drawings.

ISSUED			REVISED			PAGE NO.	REVISION
MO	DAY	YEAR	MO	DAY	YEAR	1 of 13	AT
08	14	59	02	08	11		

OPERATOR'S MANUALS – The Operator's Manual contains information of use to pilots and maintenance personnel. It contains engine specifications, inspection procedures, and operational information and is used in conjunction with the aircraft owner's manual. Revisions to Operator's Manuals are available for purchase. The complete engine model number must be supplied when ordering the manual.

NOTE

Individual revision pages to manuals are available for separate purchase at a list price of \$15.00each.

MAINTENANCE AND OVERHAUL MANUALS – The Maintenance and Overhaul Manual is a guide for minor and major engine repairs. It contains complete disassembly, inspection, repair, re-assembly and test procedures for the various Lycoming reciprocating engines. When used with the applicable parts catalog, service bulletins, service instructions and service letters, this manual is an authoritative text for overhaul of the engine. Each manual contains a registration card which, when properly executed and returned to Lycoming, assures that the owner will receive any additions or revisions within a specified time.

NOTE

Individual revisions to Maintenance and Overhaul Manuals are available separately for purchase at a list price of \$22.50 each.

Part Number	Engine Application	Current Edition	Latest Revision	List Price
60294-5	Geared and Geared Supercharged Models	April 1970	60294-5-6	\$97.50
60294-6	Integral Accessory Drive Models	Oct. 1975	60294-6-3	97.50
60294-7	Direct Drive Models	Dec. 1974	60294-7-13	97.50
60294-8	Vertical Helicopter Models	April 1978	60294-8-3	97.50
60294-9	“76” Series Models	Aug. 1980	60294-9-2	\$ 97.50
LMO-580-B	Maintenance and Overhaul Manual (IO-580-B1A)	April 2003	LMO-580-B-1	127.50

SERVICE DOCUMENTS include – Service Bulletins, Service Instructions, Service Letters, and Special Service Publications (SSP). Service bulletins are mandatory and usually apply to a necessary task such as an inspection or procedure. Service Instructions usually apply to procedures, inspections or give advice to correct a problem. Service Letters usually apply to service policy or vendor information. Lycoming Engines supplies these service documents to current subscribers, as necessary. Subscriptions to all of these service documents are available for purchase from Lycoming Engines.

NOTE: Customers with a recorded purchase of complete sets of active service bulletins, letters and instructions will receive notice when their subscription is up for renewal.

Part Number	Description	Net Price
