SERVICE INSTRUCTION

DATE: November 19, 2008 Service Instruction No. 1522
Engineering Aspects are
FAA DER Approved

SUBJECT: Reprint of Precision Service Information Letter No. SIL RS-62 Revision 2

MODELS AFFECTED: All Lycoming new, overhauled, rebuilt, or repaired (L)IO, AIO, HIO, IGO, IVO, (L)TIO, AEIO series engine with either a Precision Airmotive RSA-5AB1, RSA-5AD1, RSA-10AD1, RSA-10ED1, RSA-10ED2, RSA-10DB1 or RSA-10DB2 series fuel injection servo.

TIME OF COMPLIANCE: Same as required for Precision Airmotive Service Information Letter No. SIL RS-62, Revision 2.

Precision Service Information Letter No. SIL RS-62 Revision 2 is reprinted in its entirety as follows.

This reprint is current at the time Lycoming Service Instruction No. 1522 is issued. However, when complying with this Service Instruction, insure that compliance is in accordance with the latest revision of Precision Service Information Letter No. SIL RS-62

SIL RS-62 REVISION 2

SMALL RECIPROCATING ENGINES

RSA-5 and RSA-10

Issued 7/16/08

Page 1 of 3

SUBJECT: Overhaul kits for RSA-5 and RSA-10 Fuel Injection Servo's.

PURPOSE: To provide repair shops with overhaul kits for the following Servo's as recommended by Precision Airmotive.

Revision 1: Supplement Single Kit# 2576576 was incorrectly titled 2576676
Revision 2: Replaced Gasket 365533 with 2577258 in all Single Kit listings
Single Kit# 2576574: Packing Preformed 951789 qty 1ea was 2ea
Single Kit# 2576574: Added Packing Preformed 951392 qty 1ea

DESCRIPTION: Precision Airmotive has created overhaul kits for RSA-5 and RSA-10 series fuel injection servos. These kits are offered in single kits containing enough parts to overhaul 1 servo, and also in bulk kits containing enough parts to overhaul 10 servos. The table below lists the part numbers required for each servo model.

SERVO MODEL	SINGLE KIT	SUPPLEMENT KIT	BULK KIT	BULK SUPPLEMENT KIT
RSA-5AD1	2576573	None Required	2576578	None Required
RSA-5AB1	2576573	2576576	2576578	2576581
RSA-10AD1	2576574	None Required	2576579	None Required
RSA-10ED1	2576575	None Required	2576580	None Required
RSA-10ED2	2576575	2576577	2576580	2576582
RSA-10DB1	2576575	2576577	2576580	2576582
RSA-10DB2	2576575	2576577	2576580	2576582

NOTE: For Servo Models which supplement kits, both are required for overhaul. For example, an RSA-5AB1 requires the 2576573 single kit (which contains the majority of the parts) and the 2576576 supplement kit (which contains additional parts only required for RSA-5AB1 servos).

These kits contain the parts necessary for overhaul of most servos, but in some cases, parts contained in the kits will not be applicable to the specific servo parts list, and additional parts may be required. All parts must be installed in accordance with the latest approved component maintenance manual (see Index of Manuals: 15-895).
